Baby, when I look at you With your hair falling down in your baby blues Standing there across the room I get so lost in the way you move It makes me reminisce, back to years ago On a night like this Teary-eyed, as you took my Livin Our Love Song And I told you that I'd be your man So many things have come, so many things have gone One thing that's stayed the same is Our love's still going strong.
