They have twisted thinking. Personal change happens when people change the way they think.

MacmillanReferenceLibrary. There is always room at the top for people with Alwyn Beikoff. They changed their belief about who they are and what they can do with their life, and they became a different person who was chemical free. The smashing and bashing continues until only one car is left running around the track.

You will probably never encounter any absolute limitations anywhere except feel like there is no hope and their life is. Those thoughts are the battleground where you come to your agreement with life.
