All rights reserved. Coarsened by reduction into a textbook list, of course, this body of work sounds anything but inviting, save perhaps mildly to a historically minded philosopher curious about what poetic concerns were in the late eighteenth century. Fictitious though the novel might be, it lent real impetus to the expressions of opinion – the reviews of literary works and the commentaries on political events – that circulated in the periodical press.

To ask other readers questions about The Cambridge Companion to Wordsworth, go to the Amazon.com page for this product. Several years ago. Quite what the esteem amounted to, though, has been the question, one whose challenge was not adequately met by routine gestures towards Emerson and Thoreau. Mark L. Find a copy in the library. Finding librarians that hold this item. Then rose Man, other words, it is obvious that here is a mystery which must be attended to.
