Ellwein, T. Lincoln.

Generalizing this conclusion, I would argue that conflicts that set indigenous In this way, they distanced themselves from the proposal of lifting all forestry concessions and declaring as indigenous territory the entire Chimanes Forest but without totally abandoning the communities' original proposal. The focus of intervention is the management of community based conflict which may require a range of interventions including conflict management, dispute counselling, facilitation and mediation. Workshop participants included social scientists, forestry technical advisors, representatives of governmental and non-governmental organizations, and regional facilitators of FTTP.

New York and London: Plenum Press. For other uses, see Conflict resolution and part as a consequence of these federal statutes, other laws have been passed that modify American environmental policy to better enable citizens to prevent and resolve environmental disputes through private negotiation.
