Subtle energy also follows laws, but the flexibility with which these laws are manipulated by subtle intelligent beings often makes subtle effects seem absurd or impossible. Every two thousand years, there are also some major shake-ups. Wesomehowhavealientechnology, spacemantechnologythat isgoingtosaveu I hope these recent exchanges will help any of those who are in the homosexual communities who are trying to push on the movement anything that goes against dharma or sanatana dharma to stop. Take every chance you get because you will live in this world, get married, have kids, spend your life in slavery to car payments and house payments, work eight hours a day, and die—and you can take none of that with you. We manifest, not by trying to attract to us, but by expressing out from us: Not taking, but giving.
