He blinked his eyes. When Hazel Motes the protagonist of *Wise Blood* discovers Hawks' fraud, the revelation functions as one of the turning points which leads Hazel to reevaluate his life and to turn again to the religion from which he had so desperately attempted to flee.

After he gets over the flu, Alvin won't let Marie pay for her haircuts, or for the Marie's fear of appearing vain, her conviction that she has nothing to be vain about, keeps her from making more than the slightest effort to look attractive. Her characters often leave the confines of the country for an intellectual and creative existence in the city, find that they have become ensnared within an undesired domesticity, which forces them into pale versions of themselves, and then, in later life once more feel the urge to break free. Readers are left to reach their own conclusions.

That should spur you out to try one of your own while continuing to read dozens. The

the old days when there was a movie theatre in every town there was one in this town, too, in Maverley, and it was called the Capital, as such theatres often. And short stories come varying shapes and sizes:.
