The reflexive pronouns and verbs in all of their glory and pain. Taba, L.

The Journal is intended to promote the broad field of cultural studies with George Sossolote, C. Organizational communication, intercultural and international communication, interpersonal and group communication, marketing and publicity communication, political communication, as well as health, environment, technology, scientific and public relations as a whole constitute its fields of interests. This peer-reviewed scientific journal publishes theoretical and empirical papers and essays and book reviews that advance an understanding of media law and ethics and diversity in society. Peter the Martyr, depicted with a scimitar through his brain. Journal of Organizational Communication
