Afterward, a great fight scene ensues between the children and the pirates. We talked about how the opposite of a didactic book might be an ambiguous book, or a book that encourages the reader to think about issues, to make decisions for themselves.

LaRue, Ikerelatestheharshconditionsheissubjectedto, eventhoughtheil She points out that on the last page, while the children are hesitant to tell their mother about what happened in her absence, the fish gives a knowing look to the readers to assure them "that something did go on but that silence is the better part of valor in this case".
