Flowing text, Google-generated PDF. But the more his anxiety grows about what his sexuality means for himself, his friends, and his social life, the more he wonders whether he can just take it all. Skip this list.

Sorryforthedelaybutit'supforpreordernowonallebookretailsites. I absolutely love the fae, and stories related to them, so this was right up my alley. Horror primarily evokes fear through the protagonists' weaknesses or inability to deal with the antagonists.

Maybe that would help make sense of what I just listened to. The Land of Faerie exists right alongside the human realm. It seemed like there were a bunch of extra words and "big" words that were completely unnecessary, and the whole thing just didn't flow very .
