While writing the novel and experiencing a kind of time slip I had a strong feeling of what the intervening twenty-seven years had meant. War had broken out the year before in what was then Yugoslavia, after Croatia and Slovenia declared independence—the Yugoslav Wars, which pitted several ethnic groups against one another, lasted for a decade. Can someone put this in for me because I can't get the city to work properly. Even so—and much as his mother did, for years, with his father—Bekim caters to Yugoslavia, bringing the cat home and attending to its every need. The New York Times. I am a cat. On Cats And Birds. She worked with the concept, however, expanding the storyline with elements of war, politics, revenge, doomed love, and religious conflict.
