Today, as in the past, local Pashtun tribal groups tend to continue to follow their own system of justice based on a mixture of religious and cultural leadership and sanctions. Continue shopping Checkout Continue shopping. GodAndMammonInAmerica. In a related parable he tells the story of a merchant willing to sell all he possesses for a pearl of great worth, referring to the rewards of the spiritual as opposed to the material life. Here Jesus roundly condemns the leadership of his day. Such increasing prosperity is part of what God originally intended for the human race to accomplish, but material prosperity is still a matter of secondary importance, and it carries significant dangers.
