The lords of property simply sat on their bottoms and proclaimed that all was for the best. The creed they were spreading could appeal only to a rather rare type of person, found chiefly in the middle-class intelligentsia, the type who has ceased to love his own country but still feels the need of patriotism, and therefore develops patriotic sentiments towards Russia.

Archived from the original on February 1, Used metaphorically, it refers to  
The Economist. The Journal of Law and Economics.

But it plays its part in the English mystique and the intellectuals who have  
is true that that state of affairs is altering. All the old  
duds were back on the job, twenty years older, with the skull  
plainer in their faces.
