Lord Raglan. Myths of the Hindus and Buddhists. He remarked at the outset that hitherto geological investigations had found the oldest traces of human existence in the soil of Europe, and that, so long as this is the case, there is no scientific fact which can admit the assumption that the present European stock has immigrated from Asia after the quaternary period. This is a reprint of the original work published in If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. Are you sure you want to continue? Language: eng Volume: v. This is an electronic book. In this manner it becomes possible to distinguish between older and younger elements of Teutonic mythology, and to secure a basis for studying its development through centuries which have left us no literary monuments. Dr Hilda Ellis Davidson.
