Journaling space throughout allows for recording daily meditations and reflections. You are a compassionate Registered Nurse RN skilled at providing nursing assessment, OPtempphasizesreflection,outcomespecification,testing,andthedevelo How can nurses care for their patients as technological advancements are introduced nearly every day? This book, in full-color and supported by magnificent photography, seeks to answer that question and put caring and compassion back at the center of excellent health care in spite of the time-pressured, cost-conscious, high-tech focus of modern health care.
