## **Our 5 Favorite Benjamin Moore Whites (and how to use them)**

Whether you want a two-toned wall, or you're painting opposite walls different colors, here are tips for painting with more than one color. This white foyer has a graphic pop by way of black trim and detailing on the walls and door. If you feel a room needs more of a certain hue, follow your heart.

"Finishes.

## **Tips for Using Trim to Highlight Color | Sherwin-Williams**

Painting the trim white has become so conventional that if you ask your It works . It makes rooms look crisp and finished and shows off the depth (Actually, this works well with dark colours too, but that is a different post).

But what do I do about the ceiling? I love your videos and your blog. And too much noise, visual or otherwise, is something many of us would generally like to avoid.

Multi-FamilyCommunities. No, you do not want a white with a light green base!!! We were told light light colors would do that, but I also read having dark walls will fade away.

IsthataBehrcolor?Hi SF, I try to make it as clear as possible, that I do not recommend paint colors for every job. The thinking was that people would inadvertently kick, damage, or get fingerprints all over them and they would likely be covered in dirt and dust.
