This book told me a lot about The Plague! I've been a nonfiction lover for as long as I can remember.

It was interesting to see what it would have been like to have been someone in the  
Sorry, the book that you are looking for is not available right. Please choose whether or not you want other users to be able to see on your profile that this library is a favorite of yours. I also love that despite this being fictional I learnt a lot about the plague and the great fire of London. I didn't like that Alice felt like she had to bargain with God to help someone else could not immerse myself in the events taking place, and I could not connect with 14 year old Alice.
