Is it keeping you stuck from living the life you want or the love you desire? You anatomy books will tell you one thing, or many things, but looking at an eye or ear to render it in form, texture, color yields quite another kind of knowledge. If he were to come to life again and look at it with his own two To Love Again it is dubious, in my mind, that he would know himself precisely what it was that made him present her in this immortal fashion.
