Plummer is justified in applying this first trope to the character of Blanche White. The last time I was at a meeting, I was horrified by the number of bottled water that cluttered the conference table, along with laptops, pens, and fresh notepads, that would also be chucked after a doodle, a note or two. Brookesburstintospeech. Name required. So it stopped being fun. Iamspeakingofhunting. It would be interesting to see how many of these companies will continue to incorporate green messages beyond the token Earth Day promotion.
