Oxford: Oxford University Press, On shock : ...we are slowly made aware that the corpse is in a state of perpetual motion; maggots are pouring like a viscous liquid across the ragged remains of the body, falling and rising like a series of waves. Expected to ship within 7 - 13 working days.

As with those other arguments aligned with Felski's, this book proves a very Biblical interpretation suffers from the same malaise as interpretative theory more generally with its heavy investments in suspicious orientations of one sort or. Because there is lag-time between an occurrence and its resonance, meaning can be 'washed forward into the future rather than anchored in one defining moment.

Universities in most nations are now obliged to prioritise graduate careers
